1. Organisation overview

Name: Nova Style Fashion

History

- Nova style fashion is a small business that was established in 2024 and is situated in Kensington, Johannesburg. It focuses on modern, stylish, and affordable clothing for young adults.

Mission

- To offer stylish but affordable clothing.

Vision

- To become a well-recognized brand in South Africa.

Target Audience

- Young adults
- Fashion conscious

2. Website Goals and Objectives

- To promote the brand's clothing
- Increase sales
- To expand customer base through online presence
- Provide valuable information about clothing (e.g prices, new arrivals)

3. Current Website Analysis

- The Organisation does not have a website; it relies on WhatsApp. The website will improve communication and help promote the product, resulting in increased sales.

4. Proposed Website Features and Functionality

Pages:

- Home page
- About Us

- Contact page
- Clothing and prices page
- Blog (news, new arrivals information, etc.)

Users will be able to:

- Browse and place orders online
- Safely pay online

5. Design and User Experience

Colour scheme

- Black, white, and gold to show style and class

Typography

- Headings: Stylish but easy to read
- Body text: font that is clean and easy to read

Layout and Design

- Modern layout
- Pictures of the products
- Category selection, like Men, Women, Kids, Accessories, etc

Additional features may include:

- Gallery of products
- Cart for shopping

User Experience Considerations

- Design that works on mobile devices.
- Easy-to-understand menu

6. Technical Requirements

- Hosting: Truehost
- Domain: www.Novastylefashion.co.za

The site will use:

- Structure with HTML
- CSS for layout and style
- JavaScript for things that need to be interactive

7. Timeline and Milestone

- **Week 1-2** Research and planning (getting pictures, product information, and other content)
- **Week 3-4:** Wireframes and design
- **Week 5-6**: Building the site
- **Week 7:** Testing and making changes
- **Week 8:** Launch Site

8. Budget

- Domain name: ±200 a year
- Hosting: ±1500 a year
- Website development: ±6000
- Maintenance: ±2000 a year
- Total estimated budget: R9700
